

# NOBLE VINES

COLLECTION

Pinot Grigio's noble roots go back to the middle ages. A natural offshoot of the famed Pinot Noir grape of Burgundy, by the fourteenth century it was grown in Switzerland, then Italy, evolving along the way. Pinot Grigio selection 152 originated east of Champagne in Alsace, a well-studied match to our similarly cool vineyards in Monterey, California. Noble Vines 152 is distinguished by lively floral aromas and flavors of fresh citrus, peach, and a hint of minerality, with a notably rich texture and crisp finish. Serve with fresh salads, pasta, seafood or roast chicken.
