

NOBLE VINES

COLLECTION

Noble Vines traditional style Rosé is grown on some of the choicest vineyards along California's Central Coast, where variations in sunlight, soil, wind and mist are matched to the archetypal grape varieties grown in Provence, France. Our cellar team calls this our "515" blend because that is the time we open it at home and enjoy its fresh, delicious flavors with any type of food.

— *Christie Hansen, Vine Grower*

THE DEEPEST ROOTS GROW NOBLE VINES.™
